#### 1. Reasons why replacement may not be advisable

If you do replace any policy, we want to ensure that you make an informed choice. Please mark with an 'x' in each block below to indicate that the following information has been carefully discussed with you by your representative:

- you will pay some charges and fees twice (e.G. Commission, underwriting expenses & other initial charges levied by the insurer) – initially on the Existing policy and once again on the new policy ☐
- you may pay higher premiums for risk (or a bigger part of the premium) on the new policy because you are older now or your health situation Might have changed ☐
- your new policy may not have the same life cover or premium guarantees as the existing policy. Check the period for which the life cover or other Cover amounts are guaranteed before the insurer is entitled to change your premiums or reduce or remove cover ☐
- your new policy may have more exclusions, restrictions or waiting periods particularly if your health has deteriorated ☐
- your new policy may not have the same investment performance guarantees as the existing policy (if applicable) ☐
- the amount of money that you can withdraw under the new policy may be less (if applicable). A new policy will usually have legal restrictions on Access within the first 5 years ☐
- you may lose the tax advantage of your existing policy (if applicable) ☐
- the surrender value or paid up value of your existing policy may be as low as 60% of the policy value before the change, and could be even less Than premiums paid in since unrecovered initial expenses must first be deducted. Check what charges you will be paying on termination of the old Policy and see whether the advantages of the new policy will make up for any such charges ☐
- the investment risk under the new policy may be higher. Remember that the past performance of a fund or asset manager of a fund is not Necessarily an indication of future performance ☐
- the representative informed you whether the existing / terminated policy could be amended to provide similar benefits to the replacement policy ☐
- if such amendment is / was possible, your representative discussed with you why it is appropriate that the terminated policy be replaced by the Replacement policy ☐
